RRF (LUTON) 2017 NEW YEAR EDITION

Apocalypse Now!

Dearly beloved,

Last November whilst driving to Milton Keynes to visit a family the Spirit directed me to go through the book of Revelation this year. 2016 has seen strange happenings when many experts have been caught out; there is so much uncertainty and fear.

People are discontented and many are resorting to man's base instincts so the world needs clear and wise leadership but I cannot see it. We must pray, speak up and do the work of God for fear is a dangerous force in the world. Xenophobia is on the increase, which I fear, if not dealt with, will lead to very bad things.

The 20th Century was marred by two world wars, regional conflicts and many civil wars. It was also the century weapons of mass destruction were first created and given to politicians to use. The problem with politicians is not all are wise, sensible and peaceful. We have mad and bad politicians who are dangerous in a world where weapons of mass destruction have become even more prevalent.

I am calling my exposition of the book of Revelation "**Apocalypse now**" because the book of Revelation is the most pertinent to world affairs. It provides a panoramic view of the future, most of which have been fulfilled since John delivered it, but it also speaks of the end time.

Students of the Greek language will know the word revelation comes from the word apocalypse which means to unveil. The apostle John who received the words which we call the book of revelation whilst banished to the Isle of Patmos was told not to seal the book for it was for his generation and the generations to come. My approach will be to identify the key spiritual lessons from the 22 chapters and to go through each one for it's the revelation or unveiling of Jesus Christ. The book is not easy to understand but as John, I am asking God to show me, tell me and help me understand.

Twenty four lessons have been identified and are listed on page 2 of this e bulletin. I hope to record each lesson and later turn them into a book for wider circulation.

Finally, Revelation is the book that declares: "*time shall be no more*".

Our platform is the world and our congregation the people.

Trinity Road, Luton outreach service

For more than 13 years Sister Sandra Gouldbourne has been conducting a Tuesday morning service with the senior citizens at the African Caribbean Day Centre. The Centre is due to close and the service users will be relocated to another building in the new year. I wish to thank Sister Sandra for her commitment and ministry to the service users. Her commitment has included feeding them the word of God, singing to them and praying for them. She has also attended funerals and fed them their lunch. Only heaven truly know what impact she has made upon the centre staff and clients. **God bless her.**
