MY HOUSE SHALL BE CALLED THE HOUSE OF PRAYER FOR ALL NATIONS

RRF LUTON SPECIAL END OF YEAR E-BULLETIN DECEMBER 2011

Dearly beloved,

On 22nd November at our weekly evening prayer service I received instructions to initiate a back to the bible campaign. Too many bibles are on shelves; too many people are ignorant of its content. This year was 400 years since the publication of the authorized or King James Version of the bible. The bible today is seen as literature or at best as a book of good sayings. Even Jesus Christ is seen as only a character or as a mere teacher like Gandhi or Buddha. This campaign will seek to inform, educate and inspire a return to the BIBLE as the word of God. Do join me in this campaign: our children, our families and society generally, needs to know the Bible is the WORD of God.

God Save the UK. Our platform is the world and our congregation the people.

2012

In 2012 the church will be working on a **Back to the Bible** campaign which will seek to get the nation going back to the Holy Bible. There are bibles everywhere and can even be read in every known language and dialect but they are often closed and left on shelves. The Bible is the expressed thoughts of God and is profitable for: counselling, instruction and guidance. Its the bible that gives wisdom, knowledge and understanding of God, ourselves and creation.

There are many disciplines of learning but none like the Bible: study it to be wise, believe it and be saved, follow it and it will take you from earth to glory. Too many adults and children are unaware of it, don't read it and therefore ignorant of its truth. So, please let us pray and labour for a return to the Bible. In the history of revivals, they are always precipitated and prolonged by a return to the Bible, the WORD of GOD.

In 2012 there will be more change in our world for what began in 2011 shall take shape in the year ahead. It will not all be good for Satan will seek to fill the void in countries that have seen political and social change. In our country we shall see good change, despite the lean times, if we continue to pray and work for the salvation of the UK .

2012 will be **Jamaica Independence 50th Jubilee celebrations**. Let us continue to pray for the peace of Jamaica.

Giving Tithe and Offerings

Don't forget that the ministry is sustained by the free will tithe and offering of the church members. A tithe is simply to give **10%** of one's wages or salary on a regular basis. From the tithe and offering the church is able to meet the everyday expenses of the church premises and ministry. From your giving we also support churches and ministers overseas as well as church members and people in the community.

Thank you for your giving, but we need to let you know that our finances are very low at present so please do remember that the Lord loves a cheerful giver. There are a few good givers but sadly there are those who give little or nothing.

Let us all do better in 2012, RRF Luton is good ground and will always produce a good return for the Kingdom of God and yourself too.

You may give by completing a Standing Order instruction to your bank. You may also give on line through your bank and directly to the church's account or by bringing it to the church in any of its weekly services or by sending a regular cheque through the post to the church address. It is also possible to give on line via the church website through paypal.
