

## **A VISION FOR THE FUTURE**

### **2018AD, SPRING EDITION E-BULLETIN**

---

**Dearly beloved,**

Praise The Lord and welcome to the spring edition of the **ACA e bulletin**.

As we finalise this edition, it's a warm and sunny day in the UK (at least where I am, that is Luton, Bedfordshire) hoping that the cold is behind us for another year.

In this edition there is information on a delegation of ACA ministers to the houses of Parliament, information on the dedication of a place of worship in Croydon and information on a recent social gathering of senior apostolic church leaders.

There will also be information on some very important events that the ACA is sponsoring, supporting and initiating.

I trust you will enjoy the e bulletin and please do keep in touch with information on services and events being held locally, sending interesting information and stories, especially testimonies; contribution of articles and stories of interest to the body of Christ and the world at large.

Finally, the church is called to rescue and to bear witness. Increasingly many are not interested in being saved but we must still bear witness for the saints shall judge the world. Good jurisprudence depends upon reliable witness; social media, written communication, audio and visual recordings are modern ways to bear witness so the church cannot afford not to communicate these ways for life depends on it.

This could be our last year on earth, let us be ready to stay and do exploits and be ready to go.

**Our platform is the world and our congregation the people.**

## ACA LEADERS VISIT TO THE HOUSES OF PARLIAMENT

On 31<sup>st</sup> January a delegation of eight apostolic church leaders visited the houses of Parliament to engage with parliamentarians concerning the social and moral issues of our country. Gavin Shuker MP for Luton South, himself a Christian, hosted the delegation. We had the opportunity to discuss issues of concern to the nation, pray and agreed to follow up with another meeting before the end of 2018 at which other MP's and ministers will be invited.

The delegation met and spoke with the Chairman of the Christians in Parliament group, sought the support from MP's for the establishment of an apostolic faith school in London. Please pray for its success in being granted approval and the wisdom to turn this idea into reality.

**ACA delegation:** Bishops L Francis, Lloyd Thomas, Charles, Pastors C Troutt, H Mckenzie, M Sanguinetti, Minister P Stewart and Apostle L Denny

## WATCHMAN WHAT OF THE NIGHT?

Before the sudden and predicted end of the Babylonian empire the Spirit of God asked the following question: "*Watchman, what of the night? Watchman, what of the night? The watchman said, the morning cometh, and also the night: if ye will enquire, enquire ye: return, come*". (**Isaiah 21: 11-12**).

Daniel had foreseen the demise of the Babylonian empire because of the pride and decadence of the king and empire. In the story of the handwriting on the wall, the revelry and drunkenness came to a sudden end because of the message to the Belshazzar, "you are weighed in the balance and are found wanting". (**Daniel 5**).

These are momentous times in which politics as we have known it has changed. Strange maverick type figures are rising to power and not by the sword but through being elected. Suddenly, people have become less neighbourly and more hostile and unfriendly.

The United Nations is impotent because of the bullying ways of its permanent members. While nations and their leaders jockey for domination, a futile effort, I might add because no single nation will ever again exercise world domination.

Daniel described how a stone cut out of the mountain (reference to the rise of the kingdom of God) would strike the feet of the great multi substance image and it would topple over and smashed to pieces never to be reconstituted into its former glory.

On 14th May it will be 70 years since Israel became a nation state. The number 70 is linked to Jerusalem. The city was under the control of Babylon through to the Medo Persian Empire for 70 years as predicted by the prophet Jeremiah (**Jer. 25:11-12; Jer. 29:10; Dan. 9:1-2**).

The prophet Daniel was told that 70 weeks were determined upon Jerusalem for it to complete its transgressions, make an end for sins and for everlasting righteousness to enter into it. (**Dan. 9:24**). Furthermore, that Messiah (Jesus Christ) would be killed in the midst of the last of the 70 weeks.

On Monday 14th May, the US government will relocate its embassy from Tel Aviv to Jerusalem and thus acknowledging it as the spiritual if not political capital of Israel.

These are serious yet momentous times we are living in. Let's be the prophetic voice to our nation for the "*testimony of Jesus is the spirit of prophecy*".

The two places where the actual words of Jesus are found in the bible are the four gospels and the book of Revelation. In these two sections of the bible are the prophetic messages of the age. Let us study the parables and preach them some more and let us study and preach the book of Revelation for its closer to the end than we might believe.
