**E Bulletin Autumn 2016 Edition.**

---

Praise the Lord and welcome to the first edition of our **e bulletin**. In this first edition, I want to thank the church family for their ongoing support throughout the last year. This November will be two years since we started the mission. It's been slow and I have not been able to give consistent time and effort to the work but I am intending to make a greater effort leading up the end of 2016.

The Sunday service is from 4pm to 5pm and consists mainly of bible teaching and prayer. Over the next month we shall be introducing music on a limited scale to enhance the worship experience.

2016 is the year to do exploits and in July Good News TV was relocated to Dunstable where the church meets on Sundays. Moving to Dunstable will mean both the station and the mission will have greater stability and visibility.

On 13<sup>th</sup> September a Drop in Centre was open in Dunstable which will offer formal bible teaching sessions, counselling, befriending as well as the informal passer by dropping in.

Councillor Peter Hollick, Mayor of Dunstable, carried out the official opening by cutting the ribbon and making a short speech. Below are photos of the event.

This e bulletin will be produced on a monthly basis to inform our supporters and promote the ministry to a wider audience.

Thank you for reading and do forward to your own contacts. In the next edition, I shall be providing an outline programme of our services and activities up to the end of the year.
