

SUMMER CONVOCATION 2018 E-BULLETIN

1

Praise The Lord!

Welcome to the summer convocation edition of RRF e bulletin.

I can't believe half the year has gone and it's convocation already but I suppose I say this every year, I must be getting old.

Convocation is a special time of the year to set aside days to meet in fellowship with God and each other. Our nation is unsettled, directionless and weakened by events. Brexit is every politician's worst nightmare but the people voted to leave the EU and that's all there is to it.

Brexit will halt the seemingly inexorable march towards a United States of Europe.

Russia (the northern kingdom) is flexing its muscle for it has in President Putin a nationalist intent on making Russia great again. Mr Putin doesn't use the slogan but that's what he wants to see and he was elected again as president in May 2018 for the fourth time and is in power until 2022.

President Trump is as unpredictable as ever. He seems to give his friends a hard time whilst being nice to his enemies. Once again Mr Trump is in power via the ballot box; despite his strange behaviour and pronouncements he is still supported by a significant minority in the US and abroad. That's democracy.

Democracy, in the words of Winston Churchill: "is the worst form of government, except for all those other forms that have been tried from time to time".

King Saul the first king of Israel was chosen by the people, an early form of democracy, but power got to his head and in the end he not only failed but was rejected by God.

Pride precipitated Saul's downfall and pride has destroyed many leaders because unlike military dictators who take power by force they and everyone knows they wield power illegitimately. Leaders who are elected believe they have a right to exercise power; surrounds themselves with sycophants and hangers on who then attempt to change laws and customs as they see fit.

This convocation we shall be speaking about the power of the gospel of Jesus Christ to change lives. This power is benevolent, peaceful, loving and very effective. Through the power of the gospel tens of millions of lives have been affected for good and we pray that many more will be affected for good during this summer convocation.

MESSAGE FROM THE GENERAL OVERSEER

Dearly Beloved and Fellow Labourers in the Kingdom of God,

Greetings in the most exalted name given under heaven whereby we must be saved, Jesus Christ, our Lord and Saviour who loved us and gave himself for us that he may purify us from all lawlessness.

Satan is not wasting time to bring so many to shame and reproach and in immortalities and perverse and spiritual wickedness. Wickedness, terrorism of nations that are in bondage to Satan. Let us not be carried away with the spirit of Multifaith.

Let us pray earnestly for the unity of the Faith. This must be the true purpose of every God given ministry while we seek to have fellowship with those who walk in the Light of God's word.

Let us adorn the Doctrine of God, our Saviour in all things. This is well pleasing to the Lord and confirm by the Law and the Prophets. Let us avoid the sleepiness of this Laodicean age and the virgins who fell asleep at midnight. As heirs of God and joint heirs with Christ, it is given to us to redeem time and to restore.

We need to keep our assemblies holy without strife, without spots in our feast that God can bring in souls to be prepared and filled with his Holy Spirit and be ready when the Bridegroom chooses to call to the marriage supper.

I cannot come to myself to believe 50 years. The revival that has been a revolution in my life and ministry and to so many places and people. I cannot write all my thoughts and desires but I am trusting the Great Shepherd to give us the grace and to feed us so that we may hold the mystery of the Faith in a pure conscience (**1 Timothy 3:9**), for there is nothing greater that can help the fallen and lift him from the place he has fallen and to pray that within the Fellowship, we come to the unity of the Faith and many eyes would be open to this great Light, this great Truth that the Gospel of Jesus Christ reveals that God himself is our Salvation.

I look forward to the coming together of the saints in this summer convocation as we invoke the power of the gospel of Jesus Christ to change lives.

May God's peace and love and grace be multiplied to you.

Your Brother and Servant

Apostle G T Mullings
