### **Praise the Lord!**

Greetings brothers and sisters in the name of our Lord Jesus the Christ. I trust you all had a wonderful time in convocation this summer and are looking forward to the rest of the year by the grace of God.

Since summer we have a new Prime Minister and new government. Political parties are divided, government is divided, parliament is divided, and the country is divided. Three years on from the referendum our country cannot agree common cause hence the division in our country.

Israel were faced with a deadly threat in the form of Goliath and the Philistine army. They were afraid and no one was willing to take on the threat. Young David arrives on the scene and offers to take on the deadly threat but was dismissed by his elders, the captain of the army and the king. David fully understood their doubts, but they went too far by impugning his motive. "Is there not a cause"? He asked.

His detractors reluctantly stepped aside, and David went to battle. As we all know he succeeded, and the deadly threat was no more.

The UK is divided because there is no common cause. We as Apostolic churches must unite in the name of Jesus Christ. He is our common cause. On ascending on high He led captivity captive and has given gifts to men by which the church is established, and the ministry prospers.

Jesus came to earth on a mission which he fulfilled to the letter. The church has a mission let us work the works of God while we can for the day will come when we may still have the mind but not the energy and strength.

There is a generation that don't know God which is affecting our children, young people and society. Sadly, it takes disaster or much pain for people to turn to God.

Get ready to help, pain is coming.
